Thinking back over the 30 years that I've been consistently exhibiting and occasionally presenting at CTEBVI Conferences, I have treasured memories. Most are of the people I've met. Thank you one and all for making first Playworks, then PlayopolisToys a destination of choice when visiting the Exhibit Hall.

Two Ways to Shop and Save

I made [this list](#) and checked it thrice to insure that CTEBVI Conference attendees get [our best ever prices](#) on toys most purchased by teachers of the blind and visually impaired. But I didn't stop there. [You also get 20% discount on all not already discounted products at our website.](#) You'll find even more toys to delight the young and the young at heart. Think bubbles. They're ageless. And a perfect de-stressor.

That's why we need to keep some handy. [Mini Squee-z-Bubs](#) are a must. As are [Pustefix Bubbles](#). One we squeeze, the other we blow. Then watch our blues float away on a breeze.

Limited Time Offer

Availability is limited. First come, first served. Special pricing valid while supplies last or until Saturday, April 16, 2022, whichever comes first. If you have to order by purchase order, let me know. I will happily apply conference prices to purchase orders arriving after the deadline as long as I know you put in the request by the deadline.

Ordering is easy

You can [place your order at our virtual booth during the conference](#). I look forward to seeing you there.

You're also welcome to call [877.579.9300 toll-free](tel:877.579.9300) to order by phone.

Or [email](mailto:orders@PlayopolisToys.com) your order to orders@PlayopolisToys.com. In this case, please Do NOT include credit card information. I will call you for that.

Otherwise, if you prefer to order [online](#), enter CTEBVI2022 in the comment box at checkout. That way we know to adjust prices before we process payment and to email you an invoice with updated prices.

Thanks!
